

Parts & Services

Spare parts

Mavitec holds a large stock of essential spare parts, which are ready to ship within 24 hours. The spare parts are located at several locations around the world for fast shipping. Our warehouses are located in the Netherlands, Turkey, U.S.A. and Russia.

Stock management

Mavitec works with SAP business software for efficient stock management. SAP alerts us if we have low stock so we can produce or order components at the right moment.

Service Teams

Mavitec offer both mechanical as well as PLC/ Electrical services. With our service teams we are able to answer any question. Besides providing service our teams can assist you also with any installation job or turnkey project.

Service contracts

Mavitec can offer you service contracts in order to minimize downtime and reduce overall costs. Our service teams conduct inspections on a regular basis several times a year. After inspection we provide a full report with our findings and recommendations. Service contracts are available for mechanical as well as PLC/electrical or a combination of both. Check with our sales department for the options.

Emergency service

We guaranty the possible downtime to be limited with our 24/7 emergency service for both mechanical as well as PLC/electrical issues.

Due to ongoing product improvements, data shown here is subject to change without notice.
